IGF 2025 Note for Organisers and Speakers

IGF

The Internet Governance Forum (IGF) is a global and inclusive platform for multistakeholder dialogue on digital public policy, with special emphasis on the complementarity between all stakeholders involved. It was convened by the United Nations Secretary-General in 2006, as an outcome of the World Summit on the Information Society (WSIS). The mandate of the forum is to bring together all stakeholders to address key challenges and opportunities in the digital era.

- Venue: NOVA Spektrum, Messeveien 8, 2004, Lillestrøm, Norway
- Date: 23 – 27 June, 2025
- Hybrid (In-person and Virtual)
