

IGF 20  
25  
NORWAY 

## Complimentary public transportation

We are pleased to offer complimentary public transportation for all registered IGF Norway 2025 participants between 22 - 28 June 2025.

Your conference badge (either a digital badge on your mobile device or a printed badge, depending on what you have been issued) functions as a valid train ticket on designated Vy-operated trains between Oslo Central Station, Oslo Airport and the conference venue in Lillestrøm.

For more information regarding eligible train lines included in the offer, please visit: <https://www.igf2025.no/transportation.html>

### Travel Tip:

To avoid crowding and in order to have sufficient time for the security check, we recommend taking the **07:30 AM train** to the conference venue each morning. Trains may fill quickly during peak hours due to the high number of participants.

The conference venue is approximately 10 minutes walking distance from Lillestrøm Train Station.

## Accreditation and security check

- You need to register with the UN Accreditation System for both attending the conference in person and attending online in advance.
- Once the registration is approved, a digital badge will be sent to your account.
- Please make sure to have this digital badge stored on your mobile device and presented when entering the IGF 2025 venue along with a valid physical photo-ID document issued by a UN member state.

# Bilateral Meetings

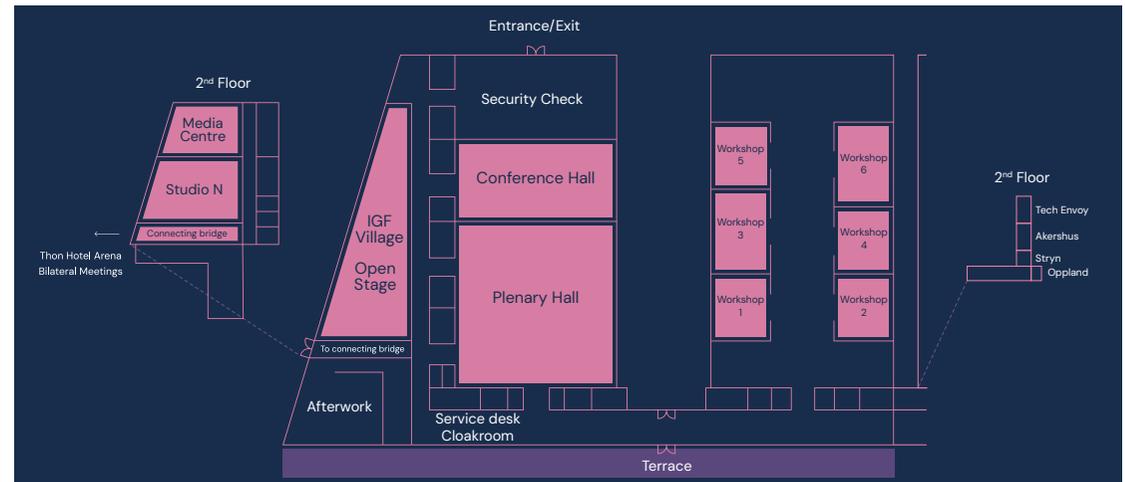

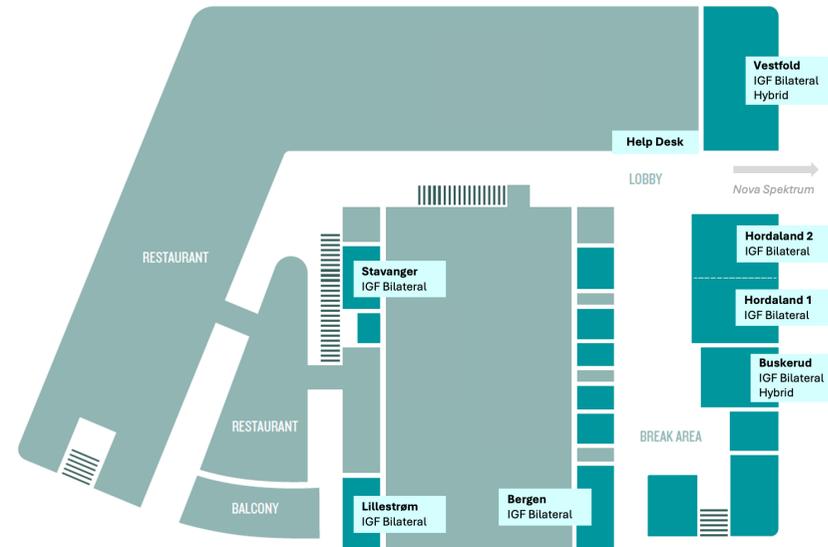

The Internet Governance Forum 2025 will be hosted at [NOVA Spektrum](#) in Lillestrøm.

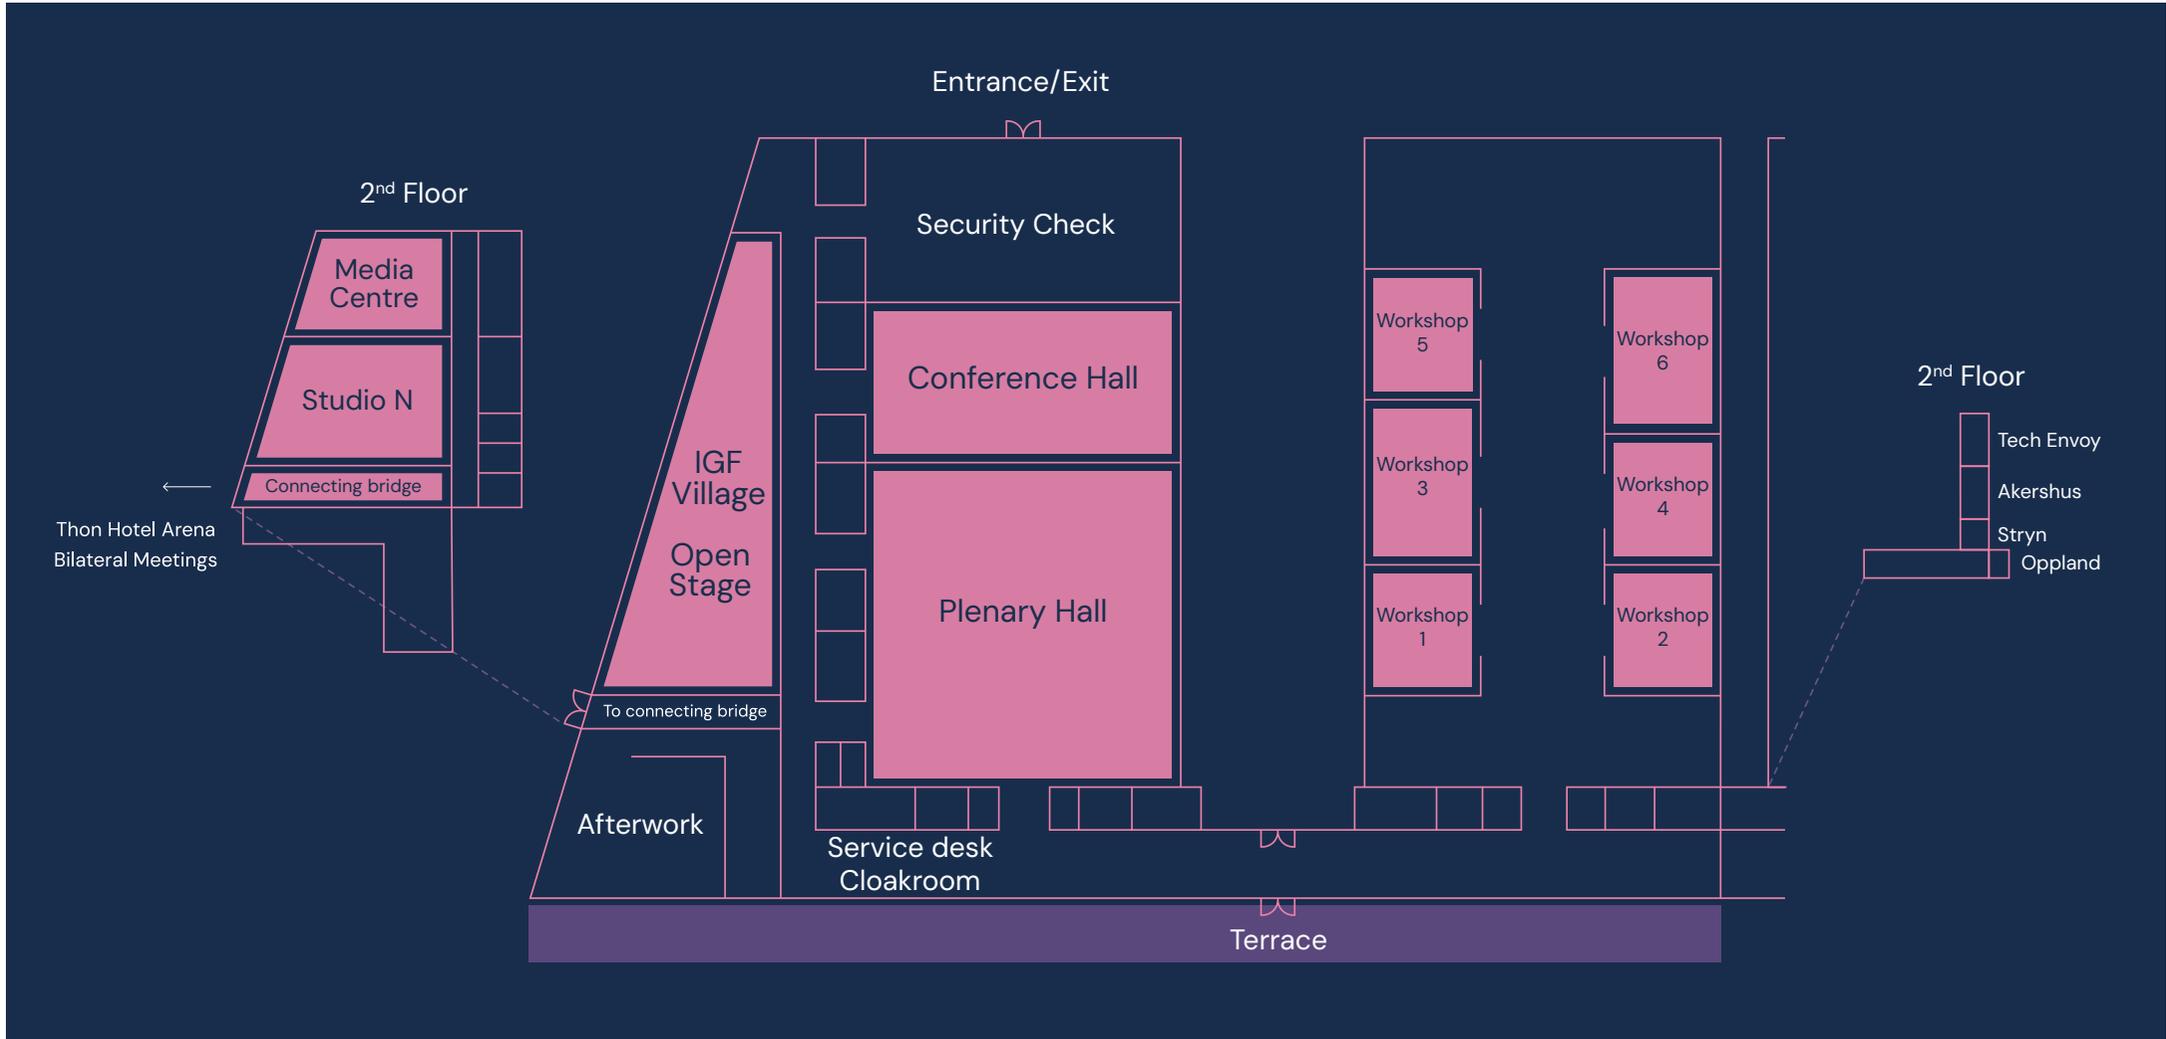

Bilateral meeting rooms that are reserved through IGF [website](#) are located on the 2nd floor at Thon Hotel Arena and Nova Spektrum.

Thon Hotel Arena is located next to the conference venue and is accessible via connecting bridge from NOVA Spektrum. Please follow the «bilateral meetings» signs. Kindly note that the bilateral meeting rooms are approximately 10-15 minutes walking distance from the farthest conference rooms at Nova Spektrum (Workshop 1-6).

If you are attending a bilateral meeting in the morning (before 09.00) we recommend using the main entrance at Thon Hotel Arena.

The bilateral meeting rooms at Nova Spektrum are located on the 2nd floor. Please walk past workshop 1-6 and follow the signage toward Oppland, Stryn and Akershus.

# Side Events
